

**PANIC! Bursaries**

**Dave Peel, *the three p's***

**Video Transcription**

history emerges (echoing)

barely challenging now (echoing)

design as to substance (echoing)

plant roots enjoy the soil (echoing)

grave-slab disturbances (echoing)

fluidity across forms (echoing)

progress is created (echoing)

undulating reveals (echoing)

polite can consumption (echoing)

agreements caught inside (echoing)

degrees are still current (echoing)

the dead act as required (echoing)

undifferentiated (echoing)

demonstrated motion (echoing)

people manageable (echoing)

heritage memory (echoing)

agency pushed spaces (echoing)

embankment this and that (echoing)

striking horizontal (echoing)

the humming roads relax (echoing)

bisected construction (echoing)

inserted or moved lines (echoing)

local teeth chattering (echoing)

board simply on the edge (echoing)

a historic parkland (echoing)

public interactions (echoing)

angles sealed in contours (echoing)

inclines are discussed (echoing)

viaducts able tension (echoing)

bricks hold desire within (echoing)

present static churchyards (echoing)

rarely seeking solace (echoing)

thoughts beneath the lonely (echoing)

relationships buried (echoing)

living flat memorials (echoing)

remembering the three p's (echoing)
